How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

1. **Answer the question.** Start with one sentence that answers the question directly.
2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
3. **Explain why.** Tell why it mattered, or how it made you think or feel.
4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

In this chapter, where is Heidi most of the time, and what does that place feel like to her?

Example answer: In this chapter, Heidi is on the mountain. It feels big and fresh to her. I think she likes the open air, the goats, and the grass. The mountain seems like a place where she can be happy.

Chapter 23

After this chapter, what has changed for Heidi or for someone who knows her?

New word I learned:

What do you think it means?

How to Answer (continued)

What is Heidi wishing for or missing right now? How can you tell?

Example answer: I think Heidi is wishing to be with the people and places she loves. She thinks a lot about home. I can tell because she notices things that remind her of the mountains. She does not just want things for herself; she wants to feel close to her family and friends.

What lesson about caring for others can you take from this chapter?

Example answer: This chapter teaches me that small kindness can help a lot. Heidi listens to people and cares about how they feel. She does not have to be rich or grown up to help. I can care for others by noticing when someone is lonely or sad.
