How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

1. **Answer the question.** Start with one sentence that answers the question directly.
2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
3. **Explain why.** Tell why it mattered, or how it made you think or feel.
4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

How would you describe Mary Anne's personality based on your reading so far? Choose one detail that helps show what she is like.

Example answer: I would describe Mary Anne as shy and caring. Her work as a babysitter helps me see her caring side because she has to think about children's needs. I think being shy does not mean she has nothing to say. It may just take her more time to feel comfortable sharing her thoughts.

Chapter 15

Looking back over your reading so far, what question would you like to ask Mary Anne about her feelings or choices? Explain why her answer would help you understand her better.

How to Answer (continued)

Do you think babysitting skill should matter more than being a boy or a girl when someone wants to join the Baby-sitters Club? Explain your opinion using what you have read so far.

Example answer: I think babysitting skill should matter more. Logan wants to become the club's first boy member, but being a boy does not tell the club how well he can care for children. I would want the members to find out whether he is patient, responsible, and careful. Those qualities seem more important for a babysitter.

What do you think might happen next between Mary Anne and Logan? Support your prediction with something you have already read.

Example answer: I predict Mary Anne and Logan will get to know each other better. Logan's interest in Mary Anne makes me think he will want to spend more time with her. Since Mary Anne is shy, I think talking about their feelings could be difficult at first. I will watch for clues that she is becoming more comfortable around him.
