How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

1. **Answer the question.** Start with one sentence that answers the question directly.
2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
3. **Explain why.** Tell why it mattered, or how it made you think or feel.
4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

Jack and Annie meet the ghost of a queen. What does she ask them to do, and why does she need help?

Example answer: The queen's ghost asks them to find her Book of the Dead. It is a scroll with the magic spells she needs to get to the Next Life. She has been waiting a thousand years because she couldn't find it by herself.

How to Answer (continued)

Jack sees the mummy and feels scared, but he does the job anyway. What helps him keep going?

Example answer: Jack is scared of the mummy, but he really wants to help the queen. Annie is not scared, and that helps him too. He remembers that it is just the queen's body and her real self is the ghost who needs the scroll.

Jack and Annie get lost in the pyramid. Who leads them out, and why is that surprising?

Example answer: The black cat leads them out of the pyramid. That is surprising because a cat can't usually understand what you need. I think the cat was sent by the M person to help them.
