How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

1. **Answer the question.** Start with one sentence that answers the question directly.
2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
3. **Explain why.** Tell why it mattered, or how it made you think or feel.
4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

Captain Bones wants something from Jack and Annie. What does he think they know?

Example answer: Captain Bones thinks Jack and Annie know where Captain Kidd's treasure is buried. He saw them on the island and thinks they are hiding it from him. Really, they don't know anything about it.

How to Answer (continued)

Jack and Annie figure out what the ‘whale’s eye’ is. How do they solve it?

Example answer: The whale’s eye is a big rock on the beach that is shaped like a whale. Its eye is a spot on the rock. Jack figures it out by looking at the picture in his book and then looking around the island.

Jack and Annie finally meet the owner of the tree house. Who is she, and what does she tell them about the medallion, the bookmark and the knight?

Example answer: The tree house belongs to Morgan le Fay. She is a librarian from Camelot who travels through time to collect books. She left the medallion and the bookmark, and the knight was her friend. She says the tree house is magic.
