How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

1. **Answer the question.** Start with one sentence that answers the question directly.
2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
3. **Explain why.** Tell why it mattered, or how it made you think or feel.
4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

Chapter 16: What story does Wickham tell Elizabeth about Darcy, and how does it affect her opinion?

Example answer: Wickham tells Elizabeth that Darcy treated him unfairly and kept him from a good future. Elizabeth already thinks Darcy is proud, so she believes Wickham pretty quickly. This makes her dislike Darcy even more. I think the chapter shows how easy it can be to trust someone who seems friendly.

How to Answer (continued)

Chapter 43: How does visiting Pemberley change Elizabeth's view of Darcy?

Example answer: When Elizabeth visits Pemberley, she sees that Darcy's home is beautiful but not showy. The housekeeper says Darcy is kind and generous, which surprises Elizabeth. She begins to wonder if she judged him too harshly. This visit helps her see that Darcy may be a better person than she thought.

Chapter 56: Why does Lady Catherine visit Elizabeth, and how does Elizabeth stand up for herself?

Example answer: Lady Catherine visits because she has heard that Elizabeth might marry Darcy, and she wants to stop it. She speaks in a bossy and rude way, but Elizabeth does not let herself be scared. Elizabeth says she has the right to make her own choices. I think she shows courage because she stays polite but firm.
