# How to Answer

---

*Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.*

## How to structure your answer

A strong answer usually has a few parts. Try these steps:

1. **Answer the question.** Start with one sentence that answers the question directly.
2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
3. **Explain why.** Tell why it mattered, or how it made you think or feel.
4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

**Jack and Annie are dressed for swimming when they land in the Ice Age. What problem does that cause, and how do they solve it?**

**Example answer:** They are freezing because they are only wearing swimsuits and it is snowing. They have to find something warm to wear fast. They look for shelter and find a way to cover up with furs.

## How to Answer (continued)

---

**There is a dangerous animal in this story. What is it, and how do Jack and Annie try to stay safe?**

**Example answer:** The dangerous animal is a sabertooth tiger with huge teeth. Jack and Annie try to stay away from it and keep quiet. Jack reads in his book that it hunted big animals, so he knows they need to get away.

**Jack and Annie meet people who are kind to strangers. Why is it important to help someone who is far from home?**

**Example answer:** It is important because a person far from home does not know where to go or how to stay safe. The Cro-Magnon people help Jack and Annie even though they have never seen kids like them. I would want someone to help me if I was lost.
