How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

- 1. **Answer the question.** Start with one sentence that answers the question directly.
- 2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
- 3. **Explain why.** Tell why it mattered, or how it made you think or feel.
- 4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

What does this chapter show about Bub’s personality? Use one thing he says, thinks, or does to support your answer.

Example answer: This chapter shows me that Bub is confident but also a little silly. He seems to believe he can do big things, even when he does not fully understand the situation. I like that he keeps trying because it makes him funny and lovable. His actions show that he wants to be important and helpful.

How to Answer (continued)

What do you predict Bub will do next, and what clues from this chapter make you think that?

Example answer: I predict that Bub will keep trying to prove he can be super. The clues are that he does not give up easily and he seems excited about the idea of helping. Even if his plan does not go perfectly, I think he will try another way. Bub's personality makes me think something funny will happen next.

How has your opinion of Bub changed since the beginning of the book? What has he done so far that affected your thinking?

Example answer: At first, I thought Bub might just care about looking like a hero. Now I think he really does want to help the people and animals around him. Some of his choices are goofy, but his heart seems kind. That changed my opinion because I can see he is trying in his own pug way.
