How to Answer

Your answer does not have to be perfect. Just answer in complete thoughts and use details from the chapter.

How to structure your answer

A strong answer usually has a few parts. Try these steps:

- 1. **Answer the question.** Start with one sentence that answers the question directly.
- 2. **Give an example.** Add a detail or moment from the chapter that shows what you mean.
- 3. **Explain why.** Tell why it mattered, or how it made you think or feel.
- 4. **Wrap it up.** Finish with a closing thought, a question, or a prediction.

What do the drawings in this chapter help you understand about the forest, the camp, or the cats' feelings?

Example answer: The drawings helped me understand the mood of the story better than words alone. When the cats looked tense or worried, I could tell that something serious was happening even before they said much. The forest also seemed like a real place because the pictures showed the space around the cats. That made the danger and mystery feel closer.

How to Answer (continued)

Which character do you trust most right now, and why? Use at least two details from what you have read so far.

Example answer: Right now, I trust Brambleclaw because he seems to take his responsibilities seriously. He does not act like everything is easy, and he thinks about what his Clan needs. I also think he tries to understand messages or problems instead of ignoring them. That makes me feel like he wants to do the right thing, even when he is unsure.

How does this chapter show the theme of working together, even when cats come from different Clans or have different opinions?

Example answer: This chapter shows that working together is not always simple. The cats may care about their own Clans first, but they also have to listen to others when there is a bigger danger. I noticed that trust has to grow slowly because the Clans have old rivalries. The story makes me think that teamwork means being brave enough to cooperate, not just being friends right away.
